Carmen it was unfortunate you could not join the conference call to discuss the status of the EPA's review of the documents for the subject project that was scheduled for this afternoon. In any event, Aspire's legal counsel has reviewed the land use covenant (LUC) for the Site and has some relatively minor comments that are provided in the attached document. Please let me know if the EPA has any additional comments or any questions regarding the attached LUC or the other documents that were submitted for review on October 15, 2013.

**Thanks Ron.**
